

PLAY DOUGH

<u>Ingredients</u>	<u>Directions (Cook all ingredients over stove)</u>
1 C Flour 1 C Water 1/4 C Salt 1 T Vegetable Oil 2 t Cream of Tarter Food Coloring (4 drops) Sauce Pan and Wooden Spoon	1- Pour all ingredients (order does not matter) into sauce pan. 2- Stir until everything is mixed well. 3- Once the mixture is mostly clump free heat over medium heat. 4- Stir and keep stirring, after a few minutes it will start to clump up. 5- Stir until one big clump is formed and remove from heat. 6- Knead by hand.

Look at the recipe. How much play-dough will this recipe make? How much of each ingredient would be needed in order to make triple the amount of one batch? What if we wanted to cut it in half?

How much playdough did this recipe make?

What are the ingredient amounts to triple:

What are the ingredient amounts to cut in half:

There are _____ students in our class. How many batches would need to be made in order to give everyone $\frac{1}{4}$ cup sample of play-dough?
